

## Shadow of a Lost Dream

Coroner

I don't know what's going on  
I don't know what's happened to you  
Yesterday we were one  
Now, I don't even know your name

Standing in front of a wall  
Hitting it with my fists  
But you can't hear  
'Cos we're so far apart

I'd like to understand  
What's going on deep in your mind  
Why you've destroyed the spell  
And how you can be so cool 'bout that

I see you smile it's like a punch in my face  
Can't you feel my bleeding heart  
Is that you who's standing next to me  
Or just a shadow, of a dream I lost
