

# Song For Singapore

Corrinne May

It's a brand new day a brand new story  
I remembered the way it used to be  
We've come so far  
You're my history you're my beginning  
In all I've done I've been nurtured in your arms  
And you carried me this far

I want to sing  
Sing a song for Singapore  
With every generation there's more to be grateful for

So come and sing  
Sing a song for Singapore  
You're my brother you're my sister  
I'm thankful for my Singapore  
My Singapore  
Singapore

Come together everybody  
Fly the flag and share our story  
Live our wildest dreams  
Celebrate the red and white  
The moon and stars in harmony unite  
Let every colour every heart

I want to sing  
Sing a song for Singapore  
With every generation there's more to be grateful for

So come and sing  
Sing a song for Singapore  
You're my brother you're my sister  
I'm thankful for my Singapore  
My Singapore  
Singapore

We've had our ups and downs  
Sometimes the best things are taken for granted  
You're my family you're my home

I want to sing  
Sing a song for Singapore  
With every generation there's more to be grateful for

So come and sing  
Sing a song for Singapore  
You're my brother you're my sister  
I'm thankful for my Singapore  
My Singapore  
Singapore
