

More Than You Can Chew

Corroded

I don't need it, make no mistake that this has already passed and gone

I don't want it, so your wish is hereby granted and withdrawn

Respect: I ain't got no

Regrets: I ain't buying it

Refuse: that's the way

Regards: in hell a colder day

Come on I got to take this slow to make you understand

You're taking more than you can chew

Come on I got you make you see , so that you get first hand

The Problem here is you

I can't take it, superficial bullshit through and all way through

I can't stand you, pure definition of stupidity is you

Respect: I ain't got no

Regrets: I ain't buying it

Refuse: that's the way

Regards: in hell a colder day

Come on I got to take this slow to make you understand

You're taking more than you can chew

Come on I got you make you see , so that you get first hand

The Problem here is you

You are to me both bad and worse

Like sticks and stones and lies that hurt

You are a shell filled up with dirt

King Midas in reverse
