

# Break The Circle

## Corrosion of Conformity

Ultimate, Desolate Condition Of Man  
Laid To Waste  
Born Again, Dead Again, Once Again  
Take Me Out Of This Place

You're In Violation, You Cross The Line  
The Line You Found Within Your Mind  
And When The Process Comes Undone  
You Die Alone, The Victory's None

Hear The Warning, The End's Beginning  
When You Break The Circle, You Have No Right To Live

Its The Breaking Of The Circle Right At The Start  
Which Makes This Mother Fall Apart  
In This Division Of The Law  
You're Driven To The One Last Flaw

Heal These Wounds  
Terminal, Criminal Sediton Of Man  
On Earth  
Born Again, Dead Again, Once Again  
Tyranny Awaits Rebirth

Greed Kills The Need And Bleeds The Lines  
Now Your Brilliance No Longer Shines  
Charred Remains The Way You Feel  
And Still In Time These Wounds Won't Heal

When You Kill The Mother, There Is No Other
