

At Your Side

The Corrs

When the daylight's gone and you're on your own,
And you need a friend, just to be around
I will comfort you, I will take your hand
And I'll pull you through, I will understand
And you know that

I'll be at your side, there's no need to worry
Together we'll survive through the haste and hurry
I'll be at your side
If you feel like you're alone, and you've nowhere to turn
I'll be at your side

If life's standing still and your soul's confused
And you cannot find which road to choose
If you make mistakes, you can't let me down
I will still believe, I will turn around
And you know that

I'll be at your side, there's no need to worry
Together we'll survive through the haste and hurry
I'll be at your side
If you feel like you're alone, and you've nowhere to turn
I'll be at your side
