When the daylight's gone and you're on your own, And you need a friend, just to be around I will comfort you, I will take your hand And I'll pull you through, I will understand And you know that

I'll be at your side, there's no need to worry
Together we'll survive through the haste and hurry
I'll be at your side
If you feel like you're alone, and you've nowhere to turn
I'll be at your side

If life's standing still and your soul's confused And you cannot find which road to choose If you make mistakes, you can't let me down I will still believe, I will turn around And you know that

I'll be at your side, there's no need to worry
Together we'll survive through the haste and hurry
I'll be at your side
If you feel like you're alone, and you've nowhere to turn
I'll be at your side
