

# Borrowed Heaven

The Corrs

All beauty all fade away, borrowed  
All moonlight, return today, borrowed  
All sunrise all shooting stars, borrowed  
All earth bound bare feet in day  
you know we're standing on

Borrowed borrowed heaven  
Borrowed borrowed heaven

All heartache all rivers cried, borrowed  
Don't stay out too late tonight, borrowed  
I love you don't want to die, borrowed  
You taste like paradise, I know I'm breathing in

Borrowed borrowed heaven  
Borrowed borrowed heaven  
Borrowed borrowed heaven  
Borrowed borrowed heaven

You have my life and I will give it back  
But before I do, I'm gonna hold it tight  
This is my prayer

All body, All skin all bone, borrowed  
All silky, all smooth and warm, borrowed  
Almighty I stand alone  
I know I'm living in

Borrowed borrowed heaven
