

## Closer

The Corrs

I see you, walking everyday  
With a smile beneath frown  
But I won't look away, yeah

What does it mean  
What's there to see  
If I look

Closer, closer, closer, closer  
Closer, closer, closer, closer

Where are you going  
And what are you thinking at all  
Your eyes show nothing more  
Than a dazed oblivion  
What does it mean  
What will I see  
When I look

Closer, closer, closer, closer  
Closer, closer, closer, closer..., ah, yeah

You don't see me  
Watching everyday  
My smile could warm your frown  
And I'd never look away, never look away

There's more to me (there's more to me)  
Than what you see  
When you look

Closer, closer, closer, closer  
Closer, closer, closer, closer  
Closer, (close....r) closer, closer, closer..., ah yeah-ie...  
Closer, (ah ha) closer, (ah ha) closer, no, no, no, (ah ha)  
(ah ha, ah ha, ah ha, ah ha, ah ha,) ah, no, no...
