

# Don't Say You Love Me

The Corrs

I've seen this place a thousand times  
I've felt this all before  
And every time you call  
I've waited there as though you might not call at all

I know this face I'm wearing now  
I've seen this in my eyes  
And though it feels so great, I'm still afraid  
That you'll be leaving anytime

We've done this once and then you closed the door  
Don't let me fall again for nothing more

Don't say you love me unless forever  
Don't tell me you need me, if you're not gonna stay  
Don't give me this feeling, I'll only believe it  
Make it real or take it all away

I've caught myself smiling alone  
Just thinking of your voice  
And dreaming of your touch, is all too much  
You know I don't have any choice

Don't say you love me unless forever  
Don't tell me you need me, if you're not gonna stay  
Don't give me this feeling, I'll only believe it  
Make it real or take it all away...  
Yeah, yeah yeah

We've done this once and then you closed the door  
Don't let me fall again for nothing more

Don't say you love me unless forever  
Don't tell me you need me, if you're not gonna stay  
Don't give me this feeling, I'll only believe it  
Make it real or take it all away

(Say you love me...)  
Don't tell me you need me, if you're not gonna stay  
Don't give me this feeling, I'll only believe it  
Make it real, (make it real,) or take it all away  
Take it all away, take it all away...
