

Give Me a Reason

The Corrs

It's not romantic here in blue
Swimming, swimming in blue
You left me lonely and confused
Question, questioning you
So soon goodbye you stole my heart
Believe, believing you
Was it a lie right from the start
Answer, answer me do

Well now my body's weak so just give me a reason
And my make-up's off so just give me a reason
And my defense's down so just give me a reason
Give me a reason
Give me a reason

You'll never know the love I felt
Wanting, waiting for you
It takes a weak heart to forget
Follow, follow it through

Well now my body's weak so just give me a reason
And my make-up's off so just give me a reason
And my defense's down so just give me a reason
Give me a reason
Give me a reason
Give me a reason

So what's a girl like me to do
Drowning, drowning in you
And who's to save me from the blue
Carry, carry me through

Cause now my body's weak so just give me a reason
And my make-up's off so just give me a reason
And my defense's down so just give me a reason
I am strong enough so just give me a reason
Now my body's weak so just give me a reason
And my make-up's off so just give me a reason
My defense's down so just give me a reason
Give me a reason
Give me a reason
Give me a reason
Give me a reason
Give me a reason

What did I do wrong
