It's not romantic here in blue
Swimming, swimming in blue
You left me lonely and confused
Question, questioning you
So soon goodbye you stole my heart
Believe, believing you
Was it a lie right from the start
Answer, answer me do

Well now my body's weak so just give me a reason And my make-up's off so just give me a reason And my defense's down so just give me a reason Give me a reason Give me a reason

You'll never know the love I felt Wanting, waiting for you It takes a weak heart to forget Follow, follow it through

Well now my body's weak so just give me a reason And my make-up's off so just give me a reason And my defense's down so just give me a reason Give me a reason Give me a reason Give me a reason

So what's a girl like me to do Drowning, drowning in you And who's to save me from the blue Carry, carry me through

Cause now my body's weak so just give me a reason And my make-up's off so just give me a reason And my defense's down so just give me a reason I am strong enough so just give me a reason Now my body's weak so just give me a reason And my make-up's off so just give me a reason My defense's down so just give me a reason Give me a reason

Give me a reason Give me a reason Give me a reason Give me a reason Give me a reason

What did I do wrong
