Last night before you fell asleep You whispered something to me Was it just a dream I'm gonna listen to you close Coz your goodnight kiss Felt like a ghost

What are you trying to say to me What are you trying to say

Everybody's searching for intimacy Ooh ooh ooh Everybody's hurting for intimacy Ooh ooh ooh Hey yeah, yeah, yeah, yeah

We come into this world alone From the heart of darkness The infinite unknown We're only here a little while And I feel safe and warm When I see your smile

Baby don't move away from me Baby don't pull away

Everybody's searching for intimacy Ooh ooh ooh Everybody's hurting for intimacy Ooh ooh ooh

Remember when you were a child

And your momma would hold you in her arms

And rock you to sleep

Now darling there's just you and I

Let's give each other everything, baby, baby, baby...

Everybody's searching for intimacy Ooh ooh ooh ooh Everybody's hurting for intimacy Ooh ooh ooh ooh Baby come and lay down next to me Ooh ooh ooh ooh Everybody's searching for intimacy Ooh ooh ooh ooh Hey yeah, yeah yeah yeah
