

# Love to Love You

The Corrs

I would love to love you like you do me  
I'd love to love you like you do me  
There's a pillar in my way you see  
I'd love to love you like you do me

I met you on a sunny Autumn day  
You instantly attracted me  
When asking for the way  
God if I had known the pain I'd make you feel  
I would have stopped this thought of us  
And turned upon my heel

(Go you should leave me)  
Time make it be alright  
(Go you must leave me)  
Time will help you see the light  
(You don't need me)  
Time make it be alright  
(Go you must leave me)  
Believe me when I tell you

I would love to love you like you do me  
I'd love to love you like you do me  
There's a pillar in my way you see  
I'd love to love you like you do me

You recognised my barrier to love  
I know there's nothing worse  
Than unrequited love, (unrequited love)  
So I prayed to God that I could give the love you gave to me  
But something's lying in my way, preventing it to be

(Go you should leave me)  
Time make it be alright  
(Go you must leave me)  
Believe me when I tell you

I would love to love you like you do me  
I'd love to love you like you do me  
There's a pillar in my way you see  
I'd love to love you like you do me  
I would love to love you like you do me  
I'd love to love you like you do me  
There's a pillar in my way you see  
I'd love to love you like you do me

Break those pillars down  
Break those pillars down  
Take those pillars down, down, down  
Oh, take those pillars down  
(Love to love you like you do me)  
Break those pillars down  
(Love to love you like you do me)  
Oh take those pillars down  
(Love to love you)  
(Love to love you)  
(Love to love you)

Take those pillars down  
(Love to love you)
