

# Old Town

The Corrs

The girl's a fool  
She broke the rule  
She hurt him hard  
This time you will break down  
She's lost his trust  
And so she must  
Now all is lost  
The system has broke down  
Romance has broke down

This boy is crackin' up  
This boy has broken down  
This boy is crackin' up  
This boy has broke down

She plays it hard  
She plays it tough  
But that's enough  
The love is over  
She's broke his heart and that is rough  
But in the end you'll soon recover  
The romance is over

This boy is crackin' up  
This boy has broken down  
This boy is crackin' up  
This boy has broke down

This boy is crackin' up  
This boy has broken down  
This boy is crackin' up  
This boy has broke down

I've been spending my money  
In the old town  
It's not the same honey  
With you not around  
I've been spending my time  
In the old town  
I sure miss you honey

Now you're not around  
You're not around  
This old town
