

Only Love Can Break Your Heart

The Corrs

When you were young and on your own,
How did it feel to be alone?
I was always thinking of games that I was playing
Tryin' to make the best of my time

But only love can break your heart
Try to be sure right from the start
Yes only love can break your heart
What if your world should fall apart?

I have a friend I've never seen
He has his head inside a dream
Someone should call in and see if he can come out
Try to lose the ground that he's found

But only love can break your heart
Try to be sure right from the start
Yes only love can break your heart
What if your world should fall apart?

And I had a friend I'd never seen
He had his head inside a dream

But only love can break your heart
Try to be sure right from the start
Yes only love can break your heart
What if your world should fall apart?
Fall apart
