The Corrs

Going crazy in the middle of the night  
Slipping, sliding into heavenly bliss  
Fallen angel spinning from the light  
Slipping, sliding into heavenly lace

But it's all, it's alright now  
'cause we're living for this night for so long now  
Yes it's all, it's alright

We are living on hope, we are living on life  
Depending on truth until the day we die  
We are living on hope, we are living on life  
Depending on truth until the day we die

Lost and lazy, floating through the dawn  
And twisting, turning, in a hazy mist  
Guardian angel of silver and ice  
Sweeping, sinking in a stream of light

But it's all, (alright) it's alright now  
'cause we're living for this night for so long now  
Yes it's all, (alright) it's alright

We are living on hope, we are living on life  
Depending on truth until the day we die  
We are living on hope, we are living on life  
Depending on truth until the day we die

But it's all, it's alright now  
'cause we're living for this night for so long now  
Yes it's all, it's alright

We are living on hope, we are living on life  
Depending on truth until the day we die  
We are living on hope, we are living on life  
Depending on truth until the day we die
