

# Road to Eden

The Corrs

So many tears in holy water  
So much fear in heaven's way  
I asked you when  
When will I grow up to not be afraid  
And be who I am  
Cherish what you left  
Courage is all  
I'm asking tonight  
The candlelight dances  
Breath of an angel  
Whispering white

It's gonna be alright  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright

There's only a long road to Eden  
A mountain to climb  
But I'm gonna find my way back home  
We're not alone when we're lonely  
Alone when we cry  
Together we'll find our way back home  
Our way back home

So here's where you find me  
In a rainy day  
Doors are closed  
Can't come out to play  
Tears on the pages  
For all that is given is taken away  
And what's it all for  
What's it all for  
When inside out begins with joy  
And sadness a stranger  
'Till he overwhelms you  
Leaving you raw

Say it's gonna be alright  
It's gonna be alright  
It's gonna be alright  
It's gonna be alright

There's only a long road to Eden  
A mountain to climb  
But I'm gonna find my way back home  
We're not alone when we're lonely  
Alone when we cry  
Together we'll find our way back home  
Our way back home

There's only a long road to Eden  
A mountain to climb  
But I'm gonna find my way back home  
We're not alone when we're lonely  
Alone when we cry  
Together we'll find our way back home

We're not alone when we're lonely  
Alone when we cry  
Together we'll find our way back home  
Our way back home
