

Would You Be Happier?

The Corrs

Have you ever wonder where the story ends,
and how it all began, I do. (I do, I do, I do)
Did you ever dream you were the movie star,
with popcorn in your hand, I did (I did, I did, I did)
Do you ever think you're someone else inside,
when no one understands you are. (you are)
And wanna disappear inside a dream but never wanna wake, wake up.
Then you stumble on tomorrow, and trip over today.

Would you be happier if you were someone together?
Would sun shine brighter if you played a bigger part?
Would you be wonderful if it wasn't for the weather?
You're gonna be just fine. (gonna be just fine)

Are you not afraid to tell your story now,
but everyone is done, it's too late. (too late, too late)
Was everything you've ever said or done
not the way you planned, mistake.
So you promised that tomorrow be different than today.

Would you be happier if you were someone together?
Would sun shine brighter if you played a bigger part?
Would you be wonderful if it wasn't for the weather?
You're gonna be just fine. (gonna be just fine)
I think you're gonna be just fine.
You're gonna be just fine, so don't worry baby.

You're racing for tomorrow, not finished with today.

Would you be happier if you were someone together?
Would sun shine brighter if you played a bigger part?
Would you be wonderful if it wasn't for the weather?
But you're gonna be just fine. (gonna be just fine)

Would you be happier if you were someone together?
Would sun shine brighter if you played a bigger part?
Would you be wonderful if it wasn't for the weather?
I think we're gonna be just fine, (gonna be just fine)
I think you're gonna be just fine.

Don't worry baby, you're gonna be just fine,
don't worry honey, you're gonna be just fine.
Don't worry baby, you're gonna be just fine...
