

The drinking loving dancers

Corvus Corax

Let us drink, let us drink
Let us drink the whole night
We shall sleep when we are dead
And we won't put up a fight

Let's make love, let's make love
Let's make love the whole night
We shall sleep when we are dead
And we won't put up a fight

Let us dance, let us dance
Let us dance the whole night
We shall sleep when we are dead
And we won't put up a fight

Let us drink, let's make love
Let us dance the whole night
We shall sleep when we are dead
And we won't put up a fight
