

## The drinking loving dancers

Corvus Corax

Let us drink, let us drink  
Let us drink the whole night  
We shall sleep when we are dead  
And we won't put up a fight

Let's make love, let's make love  
Let's make love the whole night  
We shall sleep when we are dead  
And we won't put up a fight

Let us dance, let us dance  
Let us dance the whole night  
We shall sleep when we are dead  
And we won't put up a fight

Let us drink, let's make love  
Let us dance the whole night  
We shall sleep when we are dead  
And we won't put up a fight
