

# Beat Of Your Heart

Cory Morrow

I hear that you're doing unwell  
From your smile I could never tell  
You open up the door and the world pours in  
All of its problems, solutions and sins  
Everybody seems to have a remedy  
But there ain't no remedy that's ever gonna cure me

Take it while it comes 'cause it don't last long  
Hesitate and the moment's gone  
Run in the rain and howl at the moon  
Fall in love way too soon  
Take my hand as the music starts  
And we'll dance to the beat of your heart

There's a distance in your eyes  
Seems you been looking for a place to hide  
There's nothing but love around you that might shine  
But you can't see for your crying eyes  
You stand in a crowd when you wanna be alone  
You're your own contradiction but you're not alone

You know you'll stumble down that road  
Trembling from the cold  
But this heart and this love can save you  
It can save you

And we'll dance to the beat of your heart  
To the beat of your heart
