

Beautiful Destruction

Cosmic Gate

Beautiful destruction
My favourite enemy
A sweet seduction
You take everything

Your deception
A distant memory
Your reflection
Consumed all of me

All of me
All of me

Beautiful destruction
My favourite enemy
A sweet seduction
You take everything

Your deception
A distant memory
Your reflection
Consumed all of me

All of me
All of me

Take me
Break me
I can't leave

Take me
Break me
I can't leave
