

Brown Eyes Do It Best

Count Your Blessings

(Life is all about decisions
And right now
I think you're the greatest one
And through thick and thin
We'll be together
Forever?
Forever.)

Your eyes are like an awkward silence
Always there and noticeable
Slit my wrists and make sure I'm alive
First the left and now the right
Because tonight I plan to die for you
I'll die for you I said

Don't close your eyes now angel
I can't bare to see you cry
Licking your lips so sweet and nice
Let's do it now and sacrifice
Sacrifice

Oh so sweet
(Ohh!)
Oh so nice
(Ahh!)
Oh so sweet and nice

Brown eyes I'll melt inside your eyes
Brown eyes I'll melt inside your eyes

Sacrifice I'll sacrifice I'll sacrifice my life

Sacrifice I'll sacrifice I'll sacrifice
I'll sacrifice I'll sacrifice I'll sacrifice

Brown eyes you do it best
