

Black And Blue

Counting Crows

Fading everything to black and blue
You look a lot like you
Shatter in the blink of an eye
You keep sailing right on through
Every time you say you're learning
You just look a lot like me
Pale under the blistering sky
White and red
Black and blue
You've been waiting a long time
You've been waiting a long time
To fall down on your knees
Cut your hands
Cut yourself until you bleed
Fall asleep next to me
Wait for everyone to go away
And in a dimly lit
room where you've got nothing to hide
Say your goodbyes
Tell yourself we'll read
a note that says
I'm sorry everyone
I'm tired of feeling nothing goodbye
Wash your face
Dry your eyes
Cause you've been waiting a long time
You've been waiting a long long time
To fall down on your knees
Cut your hands
Cut yourself until you bleed
But fall asleep next to me
Have a dream I'm falling down
On my face
Scrape my knees
Scrape my hands until they bleed
Cause you're fast asleep next to me
Next to me [3x]
