## Counting Crows

1. She sat right down on the sofa  
And says where have you been I've been waiting for you  
And last night I had something so good  
These days get so long and I've got nothing to do

R: Ive been hanging around this town on a corner  
Ive been bummin around this old town so long  
Ive been hanging around this town on a corner  
Ive been bummin around this old town for way too long

2. We spent all day getting sober  
Just hiding from daylight  
And watching tv (...fading away)  
We just look a lot better in the blue light  
Well you know I gotta get out  
But Im stuck so tight  
Weighed by the chains that keep me

R: hanging around this town on a corner...

3. This girl listens to band plays

She says where have you been  
Been laying right here on the floor  
I got all this time to be waiting for what is mine  
To be hated for what I am after the light has faded

R: Ive been hanging around this town on a corner  
Ive been bummin around this old town so long  
Ive been hanging around this town on a corner  
Ive been bummin around this old town for way too long, hey

Ive been hanging around this town on a corner  
Ive been bummin around this old town for way too long  
Ive been hanging around this town on a corner  
I've been bummin around this old town for way, way, way, way, too long

\*: way, way, way, way, too long  
way, way, way, way, too long  
way, way, way, way, too long  
way, way, way, way, too long  
way, way, way, way, too long  
way, way, way, way, too long
