

Holiday In Spain

Counting Crows

1. Got no place to go, but theres a girl waiting for me down in
mexico

Shes got a bottle of tequila, a bottle of gin and if I bring
a little music I

could fit right in

We've got airplane rides, we've got california drowning out
the window side

We've got big black cars and we've got stories how we slept
with all the movie stars

R: I may take a holiday in spain, leave my wings behind me

Drink my worries down the drain and fly away to somewhere ne
w

2. Hop on my choo - choo, I'll be your engine driver in a bunny
suit

If you dress me up in pink and white we may be just a little
fuzzy 'bout it later tonight

She's my angel, she's a little better than the one that used
to be with me

Cause she liked to scream at me man, it's a miracle that she
's not living up in a tree

R: I may take a holiday in Spain, leave my wings behind me

Drive this little girl insane and fly away to someone new

3. Everybody's gone, they left the television screaming that th
e radio's on

Someone stole my shoes, but there's a couple of bananas and
a bottle of booze

Oh, well happy new year's baby we could probably fix it if w
e clean it up all day

Or we could simply pack our bags and catch a plane to Barcel
ona 'cause this city's a drag

R: I may take a holiday in Spain leave my wings behind me

Flush my worries down the drain and fly away to somewhere ne
w

Take a holiday in Spain, leave my wings behind me

Drive this little girl insane, fly away to someone new

Fly away to someone new

Fly away to someone new

Thats it.
