

Time and Time Again

Counting Crows

I wanted so badly Somebody other than me
Staring back at me But you were gone
I wanted to see you walking backwards
And get the sensation of you coming home
I wanted to see you walking away from me
Without the sensation of you leaving me alone

[CHORUS:]

Time and time again

Time and time again

Time and time again

I can't please myself

I wanted the ocean to cover over me

I wanna sink slowly without getting wet

Maybe someday, I won't be so lonely

And I'll walk on water every chance I get

[CHORUS]

So when are you coming home Sweet angel?

You leaving me alone? All alone?

Well if I'm drowning darling, you'll come down this way on your
own

I wish I was traveling on a freeway

Beneath this graveyard western sky

I'm gonna set fire to this city

And out into the desert we're gonna ride
