## **Court Yard Hounds**

When I called, I heard you say, "Tell her I'm out." And don't you know I'm smart enough to figure you out? You said, "Come on we need to talk, let's go for a ride." But you don't have to say a thing, I can read your mind I hear the song on the radio playing loud I might forever hear the words you thought would let me down Hey, yeah, yeah, but my heart breakin' Hey, yeah, yeah, but my heart breakin' It didn't make a sound We sat up all night while you apologized And I think you were surprised to see me smile But all I heard was the sound of the freedom bells ringin' And I bet you thought I would be breakin' down Hey, yeah, yeah, but my heart breakin' Hey, yeah, yeah, but my heart breakin' It didn't make a sound It didn't make a sound Hey, yeah, yeah, but my heart breakin' It never made a sound It didn't make a sound It didn't make a sound It never made a sound Go ahead and leave me, darlin' You won't ever see me cryin' You'll never hear my heart breakin'

It didn't make a sound It never made a sound

It didn't make a sound
