

Nobody Really Cares If You Don't Go to the Party

Courtney Barnett

You always get what you want
And you don't even try
Your friends hate it when its always going your way
But I'm glad that you've got luck on your side
You're saying definitely maybe
I'm saying probably no
You say "You sleep when you're dead," I'm scared I'll die in my
sleep
I guess that's not a bad way to go

I wanna go out but I wanna stay home
I wanna go out but I wanna stay home

Why are you so eager to please?
I wear my heart on my sleeve
Gets harder in the winter, gotta be a fake or shiver
It takes a great deal out of me
Yes I like hearing your stories
But I've heard them all before
I'd rather stay in bed with the rain over my head
Than have to pick my brain up off of the floor

I wanna go out but I wanna stay home
I wanna go out but I wanna stay home
