Shut up!

I'm about to take all your innocence for free

Shut up!

In the end you're gonna wanna pay me any and everything

Shut up!

I'm about to tell you how i won the war

I'll tell you what or how or when and in the end you'll never ever ever ask what for

Hello Hello Hello Hello Hello Hello

Are you talking to me?

Hello Hello Hello Hello Hello Hello

Breath Baby Breath!

Shut up!

I'm about to tell you about the difference you will never make

How to will the war with no regrets, no hurt no pain no shame

Shut up!

I'm about to tell you some secrets you will never know

Now don't ask what don't moan don't cry don't even ask where this is going to go no no

Hello Hello Hello Hello Hello Hello

Are you talking to me?

Hello Hello Hello Hello Hello Hello

Breath Baby Breath

Hello Hello Hello Hello Hello Hello

Oh Oh Are you talking to me?

Hello Hello Hello Hello Hello Hello

What's the matter?

My baby's dead

His heart went blind on me

My dress caught fire from one match that you gave me

And all that's left is your veil and the breath i got

Yeah I won't share in your misery cos your phonecalls gone

And noone's coming

Noone's coming

Noone's coming

Noone's coming for YOU!

Hello Hello Hello Hello Hello Hello

My dress ion fire

Hello Hello Hello Hello Hello Hello

Lets burn it down

Hello Hello Hello Hello Hello Hello

I got no desires no one no one

Hello Hello Hello Hello Hello Hello

But you leave the same day same year

Ring around the rosie yeah

Addicted to all that shit

Pocket full of real estate

Taxes

And don't you hate when it all burns down

and dies and dies and dies and dies

Baby fire Baby Fire Baby Fire Baby FIRE!
