

I'm a thousand people
From day to day
We are all airborne
Without ground control
I call my name
In the maelstrom

I'm not givin' in
So don't you give in
I'll be your Atlas
And carry our world

But I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us home

But I guess
I won't save the world today

I'm a thousand people
From day to day
Blues and so untitled
On the road to where
I'm losing my name
In the maelstrom

But I'm not givin' in
So don't you give in
I'll be your Atlas
And carry us home

But I guess
I won't save your world today

But I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us home

But I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us home

But I guess
I won't save the world today
