

Behold the beauty that surrounds us
See the wonders we take for granted
Roam the world in all her glory
Sail the seas and climb the mountains

Discover things you never knew
Be happy that you're alive
So many reasons to remain
So many people to embrace
So many stories to be told
So many errors to correct

Turn your gaze towards the moon
Even further if you dare
Turn your face towards the sun
And be grateful that it's there

Behold the beauty we have made us
All the wonders that we created
See the cities of the ancients
In the deserts and the jungles

See the truth you always knew
Be happy that you're alive
So many reasons to remain
So many people to embrace
So many questions to be asked
So many answers to be found
