

## Slow Motion

### Covenant

Vvery instant second a suspension of forever  
A frail continuous sequence spanning over lives  
Blindfolded by stars we roam in our realm  
Striving to the very last  
Dwindling at the most

Marching in the waste we produce for living  
Tending to forget we are not the lasting kind  
Every day we die we are slowly decomposing  
The steps we take upon the earth  
Will be worn and lost

As the moment elapsed we walked in slow motion  
Denying the tide, we'll find our devotion

Possessed by our possessions we deny the present  
In the gallery of achievements we look upon the past  
And as the moment passed away recalling the restraint  
Counting and weighing the amounts of our breaths  
But strong in the knowledge of our lack of purpose

By learning the fear and gaining our composure  
Content at the surface descension to come  
Peace in aloneness although all will be lost

As the moment elapsed we walked in slow motion  
Awaiting the tide, we'll lose our devotion
