

Thy Kingdom Come

Covenant

we melt down
worlds collide
we are forming a sun
love under will
follow your shadow
until kingdom come
we break down
falling in time through
the fabric of light
stand your ground
carry our heavens
into the dead of the night
come heaven come shadows
come crashing over me
I feel that something has to break
come mother come Caesar
come and tend to me
I feel that something will have to break
and its gonna be me
time has come
breaking apart
we are catching are breath
our black sun
a walk in the shadow
of the valley of death
dancing to silver apples
and the eyes are closed
reaching for the oscillator
I tune to you
heathen and darken
lost in the cities
crumble of power
I stand and turn to you
come heaven come shadows
come mother come Caesar
come day come fall
come and deliver me
