

# Unforgiven

## Covenant

I think you are not my friend  
I think you are not on my side  
I think I was far too blind  
I think I made a mistake

You try to sneak behind my back  
But trust cannot be stolen  
Friendship must be earned, and affection's not for sale  
I know you want respect  
But contempt is all you get from me  
We are forever unforgiven

You call me a traitor  
But you are a snake  
An eye for an eye  
And a tooth for a tooth  
You call me a traitor  
But you are a snake  
An eye for an eye  
And a tooth for a tooth

I think you are in too deep  
I think you are not what you seem  
I think I have been a fool  
I think I should take more care

You try to sneak behind my back  
But trust cannot be stolen  
Friendship must be earned, and affection's not for sale  
I know you want respect  
But contempt is all you get from me  
We are forever unforgiven
