

# Can't Live in a World

Cover Drive

You got ten steps 'til the door  
Still not sure what you want  
You got three right reasons to leave  
But you're still staring right at me  
Tell me, what are we fighting for?  
Can't we get anything right anymore?  
I'm here, giving you all of me  
I don't wanna let you go

Can't live in a world, if I know I'm gonna be without you baby  
I can't live in a world, if I'm standing here alone  
Can't live in a world, if I know I'm a be right here without you near me  
I can't live in a world, if I'm standing here alone

Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Can't live in it  
Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Pa-ra-da-ra-da, oh  
Can't live in a world

You got me by a string, I love the way that you know me  
You're my everything, I need your love and so much more  
Tell me, what are we fighting for?  
Can't we get anything right anymore?  
I'm here, giving you all of me  
I don't wanna let you go

Can't live in a world, if I know I'm gonna be without you baby  
I can't live in a world, if I'm standing here alone  
Can't live in a world, if I know I'm a be right here without you near me  
I can't live in a world, if I'm standing here alone

Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Can't live in it  
Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Pa-ra-da-ra-da, oh  
Can't live in a world

How can we go wrong when the feeling's so strong  
How we let it get this far, I don't know  
How we gonna give in, when we gonna give up  
We can't let this go, no, no  
How can we go wrong when the feeling's so strong  
How we let it get this far, I don't know  
How we gonna give in, when we gonna give up  
We can't let this go

Can't live in a world, if I know I'm gonna be without you baby  
I can't live in a world, if I'm standing here alone  
Can't live in a world, if I know I'm a be right here without you near me  
I can't live in a world, if I'm standing here alone

Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Can't live in it

Pa-ra-da-ra-da, oh, pa-ra-da-ra-da, oh  
Pa-ra-da-ra-da, oh  
Can't live in a world  
Can't live in a world  
Can't live in a world  
Can't live in a world without you baby, no
