License to Kill

Cowboy Junkies

Man thinks 'cause he rules the earth He can do with it as he please And if things don't change soon, he will Oh, man has invented his doom First step was touching the moon Now there's a woman on my block She just sit there as the night grow still She say who gonna take away his license to kill

Now, they take him and they teach him And they groom him for life And they set him on a path where he's bound to get ill Then they bury him with stars Sell his body like they do used cars Now there's a woman on my block She just sit there facin' the hill She say who gonna take away his license to kill

Now, he's hell bent for destruction He's afraid and confused And his brain has been mismanaged with great skill All he believes are his eyes And his eyes they just tell him lies But there's a woman on my block Sitting there in a cold chill

She say who gonna take away his license to kill

May be noisemaker, spirit maker Heartbreaker, backbreaker Leave no stone unturned May be an actor in a plot That might be all that you got Till your error you clearly learn

Now he worships at an altar of a stagnant pool And when he sees his reflection he's fulfilled Oh, man is opposed to fair play He wants it all and he wants it his way Now, there's a woman on my block She just sit there as the night grow still She say who gonna take away his license to kill
