The Slide

Cowboy Junkies

Jesus, sweet Jesus if you're listening Can you pass me to your pa? I'm having a hard time understanding Why he's so cruel and demanding with his love

Darling, sweet darling keep whispering I'll find you through this din Sitting and watching Two flames busy dancing to our love

Grab on to this moment Inhale it, hold it inside Savor it's sweetness Yearn for the slide

Grab on to this moment Inhale it, hold it inside Savor it's sweetness Yearn for the slide

Jesus, sweet Jesus if you're listening Can you pass me to your pa? I'm having a hard time understanding Why he's so discriminating with his love

I'm having a hard time understanding Why he's so discriminating with his love With his love, yeah with his love With his love, yeah with his love
