

# Wrap Around The World

Cowboy Troy

Wrap around the world, all the boys and girls  
Raise your hands and sing along tonight  
Red and yellow, black and white  
They are precious in His site  
Everybody wrap around the world

To the hicks in Russia, zdrasvootya, kak dila, pazhalsta  
Be careful 'cause I'm hot to ya, while I'm rockin' ya  
And your mouth is hanging open saying, "Shto eta?"  
We've got the cowboy sound all across the seas  
Bonjour to the French and the Portuguese  
Konnichi wa to the Japanese  
I'll even break it down for you in Mandarin Chinese

Yi-ar-san, san-ar-yi, nin hao, wo jiao xiansheng CBT, wo cong meiguo lai  
Ji dian liu, wo dong jiankang ra huo che nimen fu yijian yuan jian shi  
Cong yirjo so lai, wo dong bian, Beijing, Sichuan, Cian Gang, zai jian

Guten abent meine damen and herren  
Is what you hear in Germany when speakers are blaring  
Frankfurt, Berlin, Hamburg, und Koln  
Rackin' up minutes callin' home on my cell phone  
I can't wait to rock Tokyo, Nihonjin! Domo arigato!  
Okinawa, Kyoto, Osaka, sounds like a job for the chief party rocker

I'm a lyrical black belt, so now you know  
Some call it Tongue Fu, I call it Tae Kwon Flo!  
Laissez les bon ton roulle  
As I'm rockin' Paris and the Champs Elysses

Wrap around the world, all the boys and girls  
Raise your hands and sing along tonight  
(Sing along tonight!)  
Red and yellow, black and white  
They are precious in His site  
Everybody wrap around the world

Wrap around the world, all the boys and girls  
Raise your hands and sing along tonight
