

Mr. DJ

Crack the Sky

I push my Z-28 down I-85
I got a day to see my baby it's a two day drive
Hey hey Mr. DJ
I got a coffee and a rocket workin overtime
And I'm countin on you, man to keep me alive
Hey hey Mr. DJ
Hey hey Mr. DJ won't you play for me all night long
Hey hey Mr. DJ play it all night long

I've been drivin all night, got the radio on
Oh I'm countin on you to keep me goin
Hey hey Mr. DJ
Play me some rock&roll music and I'll turn it up
Play me some rock&roll music I can never get enough
Hey hey Mr. DJ
