

California Country Boy

Cracker

Ain't no palm trees where I come from
No big waves crashing on the shore
No grid-locked traffic, no movie stars, no
In the part of California I come from

We got oil fields in the Central Valley
We cowboys out in the Mojave
Selena Valley, yeah where I come from
We got farms, far as the eye can see

Now I got good friends out in Texas
And I got family in Tennessee
But this here country boy's from California
Ain't no place I'd rather be
Ain't no place I'd rather be

From Pasa Robles to the Owens Valley
From Manchester on down the Salton Sea
It's where I pick this guitar, it's where I write these songs
Ain't no place that I'd rather be

Yeah I got good friends out in Texas
And I got family in Tennessee
But this here country boy's from California
Ain't no place I'd rather be
Ain't no place I'd rather be

Ain't no palm trees, ain't no movie stars
In the part of California I come from
