

Well the movie star, well she crashed her car  
But everyone said she was beautiful even without her head  
Everyone said she was dangerous

Well the chief of police kept the crime off the streets  
Deep in his heart, we all knew he felt differently  
We all knew he was an anarchist

Well I, I'd like to devour you  
But you, you'd probably devour me

For your golden wheat, for your oat bran head  
Deep in my heart  
Girl you're a beautiful animal  
I'll put a tag on your ear

Here we go!

Well the movie star, well she crashed her car  
But everyone said she was beautiful even without her head  
Everyone said she was dangerous

Well the chief of police kept the crime off the streets  
Deep in his heart we all knew he felt differently  
We all knew he was an anarchist

Well I, I'd like to devour you  
But you, you'd probably devour me

Well I, I'd like to devour you  
But you, you'd probably devour me

Girl you're a beautiful animal  
Girl you're a beautiful animal  
Girl you're a beautiful animal  
Girl you're a beautiful animal  
Girl you're a beautiful animal  
Girl you're a beautiful animal  
Girl you're a beautiful animal  
Girl you're a beautiful animal
