Well the movie star, well she crashed her car But everyone said she was beautiful even without her head Everyone said she was dangerous

Well the chief of police kept the crime off the streets Deep in his heart, we all knew he felt differently We all knew he was an anarchist

Well I, I'd like to devour you But you, you'd probably devour me

For your golden wheat, for your oat bran head Deep in my heart Girl you're a beautiful animal I'll put a tag on your ear

Here we go!
