

Nothing To Believe In

Cracker

Yeah
Where you going to?
If you want me let me take you
Where you going to?
If you want me let me take you

'Cause in my life
I got nothing to believe in
Except for you
I got nothing to believe in

What'cha looking for
If you want it, I will find it
Yeah, what'cha looking for
If you want me let me find it

'Cause in my life
I got nothing to believe in
Except for you
I got nothing to believe in

And I feel fine (I feel fine)
I feel fine (I feel fine)
Yeah I feel fine (I feel fine)
I feel fine (I feel fine)

'Cause in my life
I got nothing to believe in
Except for you
I got nothing to believe in
Except for you
I got nothing to believe in

But I feel fine (I feel fine)
Yeah I feel fine (I feel fine)
I feel fine (I feel fine)
I feel fine (I feel fine)
Yeah I feel fine (I feel fine)
Yeah I feel fine (I feel fine)
I feel fine (I feel fine)
Yeah I feel fine (I feel fine)
