

Strange Kind of Love

Craig Armstrong

I've been searching
For most of my life
Try to find someone
To make sense of it all
You won't deny
My life begun again
At the time when
I thought that it might end
It's a strange kind of love
That keeps me holding on
It's the lines on your skin
That find my way home
I've been searching for most of my life
Try to find something to come into my life
You won't deny my life begun again
At the time when I thought that it might end
It's a strange kind of love that keeps me hanging on
It's the lines on your skin
That find my way home
It's a strange kind of love that keeps me holding on
It's the lines on your skin
That find my way home
It's a strange kind of love ...
It's a strange kind of love ...
