

# This Love

Craig Armstrong

This love  
This love is a strange love  
In that it can lift a love  
This love

This love  
I think I'm gonna fall again  
And ever when you held the hand  
And turn 'em in your fingers, love

This love  
Now rehearsed we stay, love  
Doesn't know it is love  
This love

This love  
Doesn't have to feel love  
Doesn't care to be love  
It doesn't mean a thing  
This love

This love loves love  
It's a strange love, strange love

This love  
This love  
This love is a strange love, strange love  
I'm gonna fall again love  
Doesn't mean a thing  
Think I'm gonna fall again  
This Love
