

Outta My Head

Craig Campbell

I rode around long enough
With my windows down
Let that breeze roll in, carry your perfume out
I took your number and messages off my phone
Oh but you ain't gone

Chorus:

Wish I could close my eyes and not have to see you smiling
Yeah, yeah, can't get you out of my head
You're dancing all around it,
Girl you got me surrounded,
Yeah, yeah, can't get you out of my head
I got you off these walls
I got you out of my bed
But girl I'm no better off, can't get you out of my head

Seems like your memory, has got a map of my mind
No matter where I go, you find me every time
Alone or in a crowd, I hear you whisá¹-ering baby
It's driving me crazy

Chorus:

Wish I could close my eyes and not have to see you smiling
Yeah, yeah, can't get you out of my head
You're dancing all around it,
Girl you got me surrounded,
Yeah, yeah, can't get you out of my head
I got you off these walls
I got you out of my bed
But girl I'm no better off, can't get you out of my head
Damn you, how I forget
Oh-oh-oh
Yeah wish I could close my eyes and not have to see you smiling
Yeah, yeah, can't get you out of my head
You're dancing all around it,
Girl you got me surrounded,
Yeah, yeah, can't get you out of my head
I got you off these walls
I got you out of my bed
But girl I'm no better off, can't get you out of my head
You're no where close to being gone out of my head
M-m-m Outta my head

No you ain't gone,
No you ain't gone,
Yeah in my head
