

## That's Music To Me

Craig Campbell

Cricket's singin' in the evening hours  
Daddy on guitar pickin' Wildwood Flower  
Old record player spinnin' LP's  
Yeah, that's music to me

Reel screamin' large mouth on the line  
Georgia breeze whistlin' through the pines  
Mama hollerin' y'all let's eat  
Yeah, that's music to me

[Chorus:]

Soaked in the whiskey and washed in the blood  
That's who I am and what I love  
Saturday nights full of Haggard and Whitley  
A Sunday morning choir now that's music to me

High school football when the home team scores  
Little bare feet on a hardwood floor  
Hearin' her whisper the kids are asleep  
Now that's music to me

[Chorus:]

Soaked in the whiskey and washed in the blood  
That's who I am and what I love  
Saturday nights full of Haggard and Whitley  
A Sunday morning choir now that's music to me

Soaked in the whiskey and washed in the blood  
That's who I am and what I love  
A ho down fiddle a little off key  
Old hound dog a-howlin, yeah, that's music to me

Yeah, that's music to me
