

# Topless

Craig Campbell

Ragtop cruisin' on a hot summer day  
Windows rolled up with the AC cranked  
Girl, I'm in heaven when you're here with me  
Bare feet dancin' in the passenger seat  
But when it's said and done, we'd have a lot more fun  
In this kind of weather, some things are just better

Topless  
Go on and drop it  
Come on sweet thing let's rock this  
In the sunshine  
No tan lines  
It's the difference 'tween a good and a great time  
You and me wild and free on a day just like this  
Some things are better topless

You know I like you in that red sundress  
Yeah, I love what it does when it hugs your hips  
Oh I'm a sucker for those baby T's  
Ain't fair how I stare, makes me weak in the knees  
But when it's said and done, we'd have a lot more fun  
In this kind of weather, some things are just better

Topless  
Go on and drop it  
Come on sweet thing let's rock this  
In the sunshine  
No tan lines  
It's the difference 'tween a good and a great time  
You and me wild and free on a day just like this  
Some things are better topless

Cooler full of beer, just sittin' right here  
This is the perfect weather, some things are just  
better

Topless  
Go on and pop it  
Come on sweet thing let's rock this  
In the sunshine  
No tan lines  
It's the difference 'tween a good and a great time  
You and me wild and free on a day just like this  
Some things are better topless  
Some things are better topless  
You know I love you topless, alright
