

## VERSE 1

I'm thinking about What you said  
As you walked out the door  
Your words stuck in my head  
And they're circling like birds and stars

## CHORUS

You said  
My heart is no weapon, in fact  
My heart is a gate  
My heart is open and unafraid  
And it's waiting for  
You to find your way in

## VERSE 2

When we're old  
Will you lean into  
The open mouth kiss offered to you  
On the porch swing  
Under a blanket of stars?

## CHORUS

(You said) My heart is no weapon  
My heart is a gate  
My heart is open  
My heart is afraid

## REFRAIN

Does this love know enough to bend low into the winds?  
Does this love know it's even love at all?  
What's to say that this love won't fail like others before it?  
I say stop, too many questions to pile onto one little song

REPEAT VERSE 1 + CHORUS
